

Block 1												
	1	2	3	4	5	6	7	8	9	10	11	12
Y3	Place value (U1)		Addition and subtraction (U1)		Multiplication and division (U1)		Time	Fractions (U1)		Multiplication /division (U2)	Geometry	

NB: It is strongly suggested that Year 3 start the year with the bridging unit. This secures key skills from Year 2. The 'school to decide focus' at the end of Block 3 will allow time for all Year 3 content to be covered.

Block 2												
	1	2	3	4	5	6	7	8	9	10	11	12
Y3	Money (U1)		Place value (U2)	Addition and subtraction (U2)		Multiplication and division (U3)		Review week	Fractions (U2)	Statistics		

Block 3												
	1	2	3	4	5	6	7	8	9	10	11	12
Y3	Place value (U3)		Calculation		Money (U2)	Length	Mass and volume	Patterns and relationships	School to determine focus			

The yearly overview is a broad guide to suggested coverage over the course of the academic year.

There are 39 school weeks, one week taken for INSET, leaving 38. Two of the 38 are generally taken up with trips, sports days, concerts and so on, leaving 36. The three 'blocks' are each 12 weeks long. Clearly the 12 weeks don't map directly to terms, they are not intended to. Where the table header has been highlighted in blue, this indicates that planning will be provided by *Effective Maths*. Please see the publication dates (on website) for details of when resources will be online.

### Remembering content and making connections

In the 2021/22 block overviews that follow, the intention is to provide extremely clear signposting to the quizzes designed to support children in **remembering the key content they have been taught**. And, through the RTP<sup>1</sup> focuses, **integrate knowledge into larger concepts**. Teachers and leaders need to use assessment well, for example to help children embed and use knowledge fluently or to check understanding and inform teaching. But they also need to do this in a way that **does not create unnecessary burdens for staff or children**. The quizzes are ideal for this purpose. (These points - remembering key content, integrating knowledge and not creating burdens - are directly linked to bullet points 3 and 4 in the 'implementation' section of the current Education Inspection Framework.)

The RTP quiz focuses are linked to what the DfE describe as 'the most important knowledge and understanding within each year group'. These criteria very often require children to have command of a wider domain of knowledge than the mathsquiz.net quizzes do. The quizzes on mathsquiz.net **deliberately** take smaller steps. The aim of **both** is to provide teachers and leaders with several ways of supporting children's ongoing progress. For example, through sharing links for mathsquiz.net quizzes with parents/carers (so children continue to practise a core skill such as knowing the  $8 \times$  table) and then following up a child's work at home with a quiz session in school to ascertain progress. The RTP quiz focuses are designed to be mini-assessments carried out in school. Taken together, the quizzes and the paper-based end of unit assessments, provide schools with a range of simple strategies to assess the planned/intended curriculum, as opposed to using generic assessments not linked to the curriculum. In particular, the quizzes have the added advantage of being self-marking, easy to repeat and can be shared with parents/carers to support children's learning at home.

### Notes

The quizzes in red are being written for 2021/22 and will be online a few weeks before they are first required. Some RTP focuses are not best assessed by electronic means. For Y3 this is 3G-2 (draw polygons).

<sup>1</sup> RTP Ready to Progress

Block 1												
	1	2	3	4	5	6	7	8	9	10	11	12
<b>Y3</b>	Place value (U1)		Addition and subtraction (U1)		Multiplication and division (U1)		Time	Fractions (U1)		Multiplication /division (U2)	Geometry	
	[1] Reading and writing numbers to 300 in numerals [2] Reading and writing numbers to 400 in numerals [3] Reading and writing numbers in words [4] Counting forwards in fours to 100 [5] Identifying and representing numbers ☀️MQ [6] Ten more and ten less [7] Comparing and ordering numbers [8] Equivalence of 10 tens and 1 hundred ☀️RTP 3NPV-1	☀️RTP 3NF-1← <sup>1</sup> [1] + facts for 100 using multiples of 5 and 10 ☀️MQ [2] + and - facts for 100 using multiples of 5 and 10 ☀️MQ [3] Add a 3-digit number and ones [4] Subtracting ones from a three-digit number (exchanging) [5] Add a 3-digit number and tens; subtract tens from a 3-digit number [6] Adding multiples of ten (bridging hundreds: making the next hundred) ☀️MQ [7] Subtracting multiples of ten (bridging hundreds: making the previous hundred) ☀️MQ [8] Add numbers with up to 3-digits (no exchanging) [9] Add numbers with up to 3-digits (exchanging) [10] Subtract numbers with up to 3 digits (no exchanging) [11] Subtract numbers with up to 3-digits (exchanging)	[1] 5 × table (revision) [2] 4 × table ☀️MQ [3] 8 × table ☀️MQ [4] 3 × table ☀️MQ [5] Solving problems involving 3, 4 and 8 × tables [6] Dividing by 4 ☀️MQ [7] Dividing by 8 ☀️MQ [8] Dividing by 3 ☀️MQ ☀️RTP 3NF-2 2 RTP quizzes: 1 focuses on × facts and the other on ÷ facts	[1] Telling the time to the nearest 5 minutes [2] Telling time to nearest 1 minute ☀️MQ [3] Different ways of expressing time 1:30pm; 1:30 in the afternoon; minutes past/minutes to [4] 24-hour clocks ☀️MQ	[1] Finding halves and quarters [2] Finding thirds [3] Recognising fractions Fifths, sixths and sevenths [4] Recognising fractions Fifths, sixths, sevenths, eighths and ninths [5] Recognising fractions Fifths, sixths, sevenths, eighths, ninths and tenths ☀️MQ ☀️RTP 3F-1← [6] Counting in tenths [7] Finding fractions of quantities ☀️RTP 3F-2← [8] Locate fractions ☀️RTP 3F-3 [8] Comparing and ordering fractions [a] [9] Comparing and ordering fractions [b] ☀️MQ	[1] Multiplying by teen numbers [2] Multiplying multiples of ten by 1-digit numbers ☀️MQ [3] Multiplying 2-digit numbers by 4 [4] Multiplying 2-digit numbers by 8	[1] Angles <i>Understanding angles as the amount of turn</i> [2] Angles <i>Identifying angles</i> [3] Angles <i>Number of angles, number of sides; drawing and reflecting shapes and counting sides and angles</i> [4] Right angles ☀️RTP 3G-1 [5] Turns [6] Perpendicular lines [7] Parallel lines [8] 2-D shapes [9] 3-D shapes					

<sup>1</sup> RTP 3NF-1 focuses on making the next/previous ten, key skills for future success in KS2. Start + and – U1 reviewing these skills: the lessons are in the Y3 bridging unit.

☀️ indicates a quiz linked to the content of the lesson/s.  
☀️MQ means the quiz is accessible via mathsqiz.net

☀️RTP means it is a Ready to Progress quiz. Where a RTP quiz also has a backward arrow symbol, ←, this is to indicate that the RTP focus also encompasses key content from earlier lessons: see RTP page on main website for details.

Block 2												
	1	2	3	4	5	6	7	8	9	10	11	12
Y3	Money (U1)		Place value (U2)		Addition and subtraction (U2)		Multiplication and division (U3)			Review week	Fractions (U2)	Statistics
	[1] Identifying amounts of money [2] Making £1 [3] Making £2 and £5 [4] Equivalence [5] Adding amounts of money [6] Converting amounts of money [7] Adding amounts of money (bridging £1) ☀️MQ Y3 quiz covers: Identifying amounts of money, equivalence, addition		[1] What do we know about 312? <i>Revision of unit 1</i> [2] Reading and writing numbers to 700 [3] Counting to 700 in steps of 10, 50 and 100 [4] Identifying and representing numbers ☀️RTP 3NPV-3← [5] Reading scales with 2, 4, 5 or 10 intervals ☀️RTP 3NPV-4 [6] Ordering and comparing numbers to 700 [7] Solving problems ☀️MQ		[1] Number facts for 100 and related facts ☀️RTP 3AS-1← [2] Estimation [3] Column method for addition ☀️RTP 3AS-2← <i>Quiz focuses on addition</i> [4] Missing digits in column method for addition [5] Column method for subtraction [6] Column method for subtraction ☀️RTP 3AS-2← <i>Quiz focuses on subtraction</i>		[1] 4 × table (and understanding commutative relationships using the multiplication grid) [2] 8 × table and associated problems [3] 3 × table and associated problems [4] Multiplying teen numbers and multiplying multiples of ten [5] Multiplying 2-digit numbers by 3 [6] Division facts linked to the 4 and 8 × tables [7] Division facts linked to the 3 × table [8] Dividing multiples of ten [9] Dividing by partitioning (÷ by 4 and 8) [10] Dividing by partitioning (÷ by 3) ☀️MQ				[1] Equivalent fractions ☀️MQ [2] Adding 5ths within one and related subtraction facts [3] Adding 6ths within one and related subtraction facts [4] Adding and subtracting 7ths, 8ths, 9ths and 10ths ☀️RTP 3F-4	[1] Sorting diagrams [2] Carroll diagrams ☀️MQ [3] Venn diagrams ☀️MQ [4] Sorting diagrams (making connections between Venn diagrams, Carroll diagrams and tables) [5] Sorting diagrams (tables, Carroll diagrams and Venn diagrams) [6] Pictograms [7] Bar charts [8] Interpreting bar charts
